DESTRUCTION OF THE FRUIT CROP IN THE WEST.

CHICAGO, April 17.—Disputes from points in Michigan, Northern Illinois and Lower Michigan, as to right to the ownership of fruit, have prevailed for the last forty-eight hours; the small fruits, grapes, and peaches are killed in many localities, and in some instances the trees themselves have been killed. High winds have prevailed throughout the above mentioned sections, and the mercury has ranged from 8° to 20° above zero for some time.

THE CAPTURED COUNTERFEITERS.

A special to the Tribune from Madison, Wis., says that the three counterfeiters who were captured at Boscombe yesterday, together with \$50,000 of bogus money and a considerable amount of counterfeiting apparatus, were arraigned before the United States Commissioner to-day, charged with counterfeiting the national mint, and were bound over for trial at the next term of the United States Court. George Ellian was put under arrest at 10:45 a.m.; Lard Meeker at 11:30 a.m.; and Frank Brown and M. L. Robinson under bonds of \$12,000 each. Robinson's wife was held in \$5,000 as a witness. The proof of their guilt is so strong that the trial is a matter of form.

THE MEXICAN MARAUDERS.

Action of Mexican Authorities—The Raiders Removed to the Interior.

NEW ORLEANS, April 17.—The Galveston News' Brownsville special says that Judge Dougherty had arranged to have witnesses come from Nuevo to Matamoros to identify the property in possession of the arrested raiders, and proposed to test whether the Mexican authorities would deliver up the raiders under any circumstances.

He received a note from Consul Wilson, dated April 14th, informing him that he had noticed that the Federal Government had ordered the prisoners to Monterey, to be placed in charge of Gen. Espejo, military commander of the State of Nuevo Leon. This virtually amounts to a refusal to let the Americans testify against the raiders as they will not go to Monterey, nearly 300 miles in the interior of Mexico. The public meeting last night was well attended.

Colonel Haynes was elected Chairman and Captain Kelly Secretary. The committee to draft resolutions were: Hon. E. Donner, H. D. Kingdon, Esq.; Col. G. D. Davis, Hon. J. Calvan, Captain J. W. Broadford, Colonel John L. Haynes, Don Marino, Trevino Garza and Con Francisco Yirona, all Union men. The meeting adjourned till Saturday.
